

Author Profile:

Name: Arshad Ahsanuddin

Profession: Hematopathologist – a physician who specializes in utilizing biopsy material and laboratory data to diagnose diseases of blood, bone marrow, and lymph nodes, such as leukemia and lymphoma.

College: Brown University

Fraternity: St. Anthony Hall (a national, co-ed, literary fraternity without religious affiliation)

Bio: I was born in Canada, and lived there for the first ten years of my life. We then moved to the United States, where I lived for almost thirty years before moving back to Canada to start a new job. I have lived in various locations in the States, including Florida, Rhode Island, North Carolina, Maryland, California, and Georgia. I moved around a lot as a consequence of my medical training.
